Quick Tips for Using This List

- Search for a video, a book, or any format you can find the speech or the story
- Read it or listen to it as many times as you need to understand the formula used in the story and how you can apply it to your own stories.

You've got your spark, but masterful storytelling is about more than just a great concept.

It's about pacing, emotional resonance, and a narrative structure that leaves your audience forever changed. I've curated a mini list of powerful stories and speeches, and I invite you to turn inspiration into execution.

Study these masterpieces to unlock timeless narrative frameworks, structural blueprints, and priority access to frameworks for visionary creators.

I'm Andreea Laura Amzu, a brand and design strategist, and I invite you to turn visibility into authority.
